HOLY SPIRIT PARISH MISSION STATEMENT

We are called to embrace faith in the Son of God as Lord and Savior. In our Roman Catholic tradition, through the cleansing waters of Baptism, we die to self and rise as children of the Father.

Confirmed, empowered and guided by His Spirit, we become church when we gather in His name, are taught with His living Word, and are nourished with His living presence.

So that, we might be sent to witness the Good News of the Paschal Mystery in loving service to the human family; and be united with Him and His Saints in Heaven forever.

Deacon's Corner

Deacon Mike Miller

Not to sound like Andy Rooney, but why is it Jesus ordered those He healed not to tell anyone, yet those He healed went out and proclaimed, "He makes the deaf hear and the mute speak."

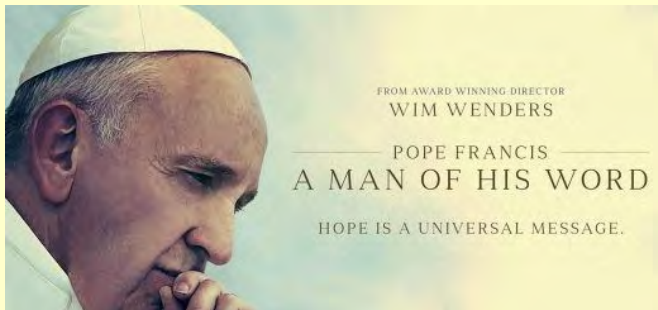

Today, through the apostles we were told, "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, to teach the Gospel to the ends of the earth." (Matthew 28) We are told to spread the Gospel to the ends off the earth.

How are we doing with that? How are you doing with spreading the Gospel?

When was the last time you asked someone to come to church with you; or meet you here for Mass? Or, Do you know someone who is Catholic but does not attend mass? Maybe they are not comfortable in coming back uninvited. Maybe they just need to be asked. Maybe they are waiting for you to ask them to have them come to church with you.

So ask! If they still say no, leave the offer open to join you later. Let the Spirit work in them, and you may be the inspiration someone needs to return to the church. Remember, we are the church.

Invite your family and friends to accompany you as we respond to Our Lady's invitation! For additional information, contact Donna Elliott at delliott@pbcgov.org.

Month's Mind Requiem Mass at Our Lady Queen of Peace Cemetery

Our Lady Queen of Peace Cemetery will celebrate the Month's Mind Requiem Mass on Saturday, Sept. 8 from 10 to 11 a.m. Held in the outdoor chapel, this memorial Mass is held the second Saturday of each month and is offered for those laid to rest in the previous month, all of the deceased in our cemetery, and for all the souls in Purgatory. All of the faithful are welcome and encouraged to attend. The tradition of the Month's Mind Requiem dates back to the fifteenth century as a feast of prayerful remembrance for departed souls on or about the thirtieth day of their passing. Though it is still common in Ireland and England, few parishes in the United States continue the custom today. Our Lady Queen of Peace Cemetery is located 1-mile west of State Road 7 (US-441) and 3- miles west of the Turnpike at 10941 Southern Blvd., in Royal Palm Beach. **For additional information, please call 561-793-0711.**

Kidney Stones

If you have ever had a kidney stone, you know how painful they can be. In recent years, management of kidney stones depends upon individual circumstances. Advances in imaging is making it easier to tell whether a procedure is needed to remove the stone and which procedure will result in the best outcome. Understanding the factors that go into stone formation will help lower the risk of developing new stones.

Kidney stones are made up of crystals formed from minerals in the urine. With adequate fluid intake, the urine is diluted and the crystals either don't form or are passed naturally out of the body. Normal urine also contains substances that inhibit crystal formation. Crystals can form when there is an increase in the amount of minerals in the urine due to dehydration or when the inhibitors don't work properly or are absent. When the crystals accumulate, they anchor to the inner wall of the kidney and grow into a stone. Once dislodged, they pass from the kidney through a tube (ureter) connecting the kidney to the bladder. The stone is eliminated from the body when it passes out of the bladder and through the urethra.

Some kidney stones may pass with little or no pain. However, many cause waves of pain that can occur on the side and back, just below the rib cage and radiate to the lower abdomen and groin. Additional signs and symptoms may include blood in the urine, nausea and vomiting, a persistent urge to urinate, or pain with urination. If an infection is present, some people experience a fever and chills. Seek medical help with any of these symptoms.

Minimizing the pain is usually the first step when a stone is present. Laboratory blood and urine testing will show kidney function and signs of infection. CT scan imaging of the abdomen and pelvis can confirm stone location, size and degree of urinary obstruction. In some cases, shock wave lithotripsy is used to break up the stone into tiny pieces that can be more easily passed. Ureteroscopic stone removal is another procedure used to remove a lodged stone. Percutaneous nephrolithotomy is a minimally invasive surgery performed to remove larger stones.

Keeping your urine dilute by drinking 8 to 12 cups of water daily to increase urine flow is essential for helping pass stones and preventing additional ones from forming. Maintaining a healthy weight and controlling diabetes with portion control and eating minimally processed plant foods is important. Reduce sodium intake and limit animal protein to less than 6 ounces daily.

HIGHLIGHTS FROM SEPTEMBER 1st

PLEASE PRAY FOR US!

Saturday, September 1st—“Youth Group” - The night began with football, baking brownies, and other activities related to respect and team building. The teens then helped write their own code of conduct based on the two greatest commandments:

He said to him, “You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind.” This is the greatest and the first commandment. The second is like it: “You shall love your neighbor as yourself.” The whole law and the prophets depend on these two commandments.

Planned Giving

Your Will is an important legal document. It recognizes loved-ones and reflects

the values and causes closest to your heart; family, church, community and charity.

A gift made through your Will is also known as a 'bequest'. A bequest is often given from the proceeds of a lifetime of work and treated with great respect by your local church.

Your Catholic faith is woven through the many milestones in your life providing guidance, hope and strength. Making a gift of any size through your Will can support the mission of your parish, the Catholic Church and the faith of future generations.

Please consider a bequest to Holy Spirit Catholic Church in your Will. For more information, **please call the parish at 561-585-5970.**
