ENTRUSTED TO US."

-POPE FRANCIS

HOLY SPIRIT PARISH MISSION STATEMENT

We are called to embrace faith in the Son of God as Lord and Savior. In our Roman Catholic tradition, through the cleansing waters of Baptism, we die to self and rise as children of the Father.

Confirmed, empowered and guided by His Spirit, we become the church when we gather in His name, are taught with His living Word, and are nourished with His living presence.

So that, we might be sent to witness the Good News of the Paschal Mystery in loving service to the human family; and be united with Him and His Saints in Heaven forever.

Pledge of Commitment

To Protect and Heal God's Creation

We have come to renew our covenant with God and with one another in Christ Jesus, our Lord. We have come to help protect God's creation.

We have come as followers of Jesus to commit ourselves anew to one another and to heal injustice and poverty.

We have come to stand together against all threats to life.

We have come to discover some new beauty every day in God's creation: the sunrise and sunset, birds, flowers and trees, rainbows in the sky, the stars, the many forms of life in the forest.

We have come to listen to the "music of the universe"- water flowing over rocks, the wind, trees bending in the wind, raindrops pattering the roof.

We will remember always that God speaks to us through the beauty of his creation, and we will try our best to answer God's call to reverence all that he has created.

DOERS VS HEARERS

“But be doers of the word, and not merely hearers who deceive themselves.” James 1:22

The old saying that “it is easier said than done” is very much applicable when it comes to following the scriptures. With the advent of media, the amount of scripture teaching available to each of us is limitless. But what do we do with all the information we get? Do we really put it to practice in our lives?

It is easy to hear, and to share what we have heard but when it comes to practicing, many times we take shortcuts. Jesus called the Pharisees of His times hypocrites because of the very same reason. They knew the scriptures, but did not follow them from their heart. They were keen to impose on people under them. Let us not dwell in the deception of the world but start living the scriptures that we hear. Though easy to hear and hard to practice, the Grace of God will surely help us to abide by His commandments.

Peripheral Artery Disease

Last week, we began our two-part series on Peripheral Artery Disease, also referred to as PAD. We described that PAD was caused by a buildup of fats, cholesterol, and other substances in or on the artery walls, a condition called atherosclerosis per the Mayo Clinic. This condition can be seen on your arms as well as your legs, making it difficult for your blood to carry the necessary oxygen and nutrients to the tissues in those areas that result in severe problems and pain to the affected areas.

If your physician suspects peripheral artery disease, he/she will run blood tests to check for high cholesterol and high blood sugar. Your physician will most likely do an Ankle-brachial index (ABI) which is a common test used to diagnose PAD. It compares the blood pressure in the ankle with the blood pressure in the arm. You may be asked to walk on a treadmill with blood pressure readings taken before and after exercising to check the arteries during walking.

Next, your doctor will do an ultrasound of the legs or feet. This will utilize sound waves to create a picture of how blood moves through the blood vessels of the legs or feet. A doppler ultrasound is a special type of ultrasound used to spot blocked or narrowed arteries. Finally, an Angiography is used along with a dye injected into the arteries to look for blockages. The dye will help the arteries show up more clearly on the test images.

The goals of treatment for peripheral artery disease (PAD) are twofold: First, to manage symptoms, such as leg pain, so exercise is more comfortable, and second, to improve artery health to reduce the risk of heart attack, stroke or other complications. Treatment for PAD may include lifestyle changes, medicine, and surgery. Lifestyle changes include losing weight, eating less fat, and giving up tobacco products.

If your doctor feels that your condition requires a surgical or interventional procedure, he/she may use Thrombolytic therapy. Medicine may be given directly into the affected artery to dissolve a clot that is blocking blood flow. Angioplasty and stent placement may be used in a narrowed artery to open blood flow and minimize leg pain. A tiny balloon on a tube, called a catheter, is placed in the artery. The balloon is inflated making the artery wider, increasing the blood flow. A small wire mesh tube, called a stent, may be placed in the artery to keep the artery open.

In Bypass surgery, a new path for blood to flow is created around a blocked or partially blocked artery. The surgeon takes a healthy blood vessel from another part of the body. The vessel is connected below the blocked artery creating a new pathway allowing blood to flow to the muscle.

As stated previously, please make an appointment with your physician if you are experiencing any leg or arm pain or any symptoms of peripheral artery disease.

The celebration of a Christian's life brings hope and consolation to the living. As we plan for our eternal life, it is always good to remember those that we love. Having a Will is good stewardship.

When there is a Will there is a way to be an angel for your parish. Please remember Holy Spirit Catholic Church in your Will.

These gifts help us to build a solid foundation for the Catholic formation of future generations. We appreciate the thoughtfulness of parishioners who have left bequests to Holy Spirit Catholic Church.

You can have an everlasting influence on the lives of your parish family of Holy Spirit Catholic Church. There are various forms of bequests that can be made. Bequests may come in the form of a specific dollar amount, by adding Holy Spirit Parish to your account; securities, real estate, tangible property, and retirement account assets.

If a Will or Trust already exists, a codicil amendment can be easily added to your current will. Holy Spirit Catholic Church is a charitable non-profit institution; therefore all bequests are fully tax deductible for estate tax purposes.

For additional information, please contact the parish office at 561-585-5970 or e-mail office@holyspiritlantana.com or complete the form below and drop it in the offertory basket or bring it to the parish office and someone will contact you. Thank you for your generosity!
