HOLY SPIRIT PARISH MISSION STATEMENT

We are called to embrace faith in the Son of God as Lord and Savior. In our Roman Catholic tradition, through the cleansing waters of Baptism, we die to self and rise as children of the Father.

Confirmed, empowered and guided by His Spirit, we become the church when we gather in His name, are taught with His living Word, and are nourished with His living presence.

So that, we might be sent to witness the Good News of the Paschal Mystery in loving service to the human family; and be united with Him and His Saints in Heaven forever.

We adore You, O Christ, and we bless You, because by Your Cross You have redeemed the world.

PRAYER FOR PROTECTION FROM STORMS

*God our Father,
Creator of the Universe and Lord over all creation,
we humbly stand before You as Your children in
thanksgiving for Your loving care and protection.*

*We ask that you keep us safe
from all hurricanes which may threaten us in the
coming seasons.
Protect us from all fear and anxiety of storms and
give us an ardent trust and hope in
Your love and mercy.
You alone have the power to command the sea, the
wind and the rain. You alone bring peace, calm, and
safety.
Father,
we thank You in advance, for You are our only Refuge.*

*We ask this through Christ,
Your Son, Who lives and reigns with you and the
Holy Spirit, one God,
forever and ever.
Amen.*

The Good Shepherd

The Catechists of the Good Sheperd

Do you have a child between the ages of three to six years old, who is not yet in first grade?

Here at Holy Spirit we have a fantastic program just for them called the Good Shepherd program.

Your child will be in a group that will be introduced to the wonders of our Catholic faith, and they learn by working in what is called an Atrium. Inside the Atrium, which is a miniature church, they will be shown many of the articles of our faith that are child sized, and they work hands on as they learn how each element relates to our faith. After the first year, they are able to identify all articles you will find on the altar and their purpose, why the priest is wearing the color robe he has on, learning their prayers through song and repetition. There are songs to sing to help memorize different parts of our faith along with arts and crafts projects to also help show them how our Catholic faith works. All children will need to be potty trained.

Teaching our class is Mrs. Carmen West, who has been with us and has been teaching the Good Shepherds program since it was started here at our church. Marie Cantone (you know, the nice lady in the gift shop) is a co-teacher in the class as well. The cost is \$30.00 for the entire year, and they are held on Sundays from 10:30 to 11:30 a.m. Most families drop their young learners off and then they go to 10:30 Mass and then pick their child back up after Mass is over.

So if you are ready to see your child's understanding of our beautiful Catholic faith take wings, let us know if you are interested. Please contact Miss Patrice at 561-585-5970 who will be happy to answer any questions you may have. God bless our children.

A Good Shepherd lays down his life for the sheep.

HE IS OUR SUPERHERO

“They brought to Him a deaf man who had an impediment in his speech; and they begged Him to lay His hand on him.” Mark 7:32

All kinds of people came or were brought to Jesus for they knew that He had the power of healing. Unlike the Pharisees, who were obstinate, it was the simplicity of people’s hearts that helped them to trust in the power of Jesus.

How is our faith? In today's world, do we truly believe in the power of Jesus? Is He our superhero who can do anything and everything for us? At times, we become obstinate in our intellectual capacity to believe and trust in the name of Jesus!

“He said to her; ‘Daughter, your faith has made you well; go in peace, and be healed of your disease.’” (Mark 5:34)

Miracles and wonders happen according to the amount of faith we have in Him. Let us pray for the virtue of simple faith to trust in Jesus and His empowering name to truly believe that in this life and forever He is our real superhero.

West Nile Virus

A mosquito bite can turn into something more severe if it bites a bird infected with West Nile virus and then bites you. According to the Centers for Disease Control and Prevention (CDC), the key points to consider about West Nile Virus is that:

It can result in a febrile illness (having a fever) or neurologic disease, including meningitis or encephalitis.

There is no specific treatment for West Nile

Rest, fluids and pain medications may relieve symptoms. In severe cases, patients often need to be hospitalized to receive supportive care such as intravenous fluids, pain medication and nursing care.

Most people infected with West Nile virus do not develop any symptoms. About 1 in 5 people who are infected develop a fever with other symptoms such as headache, sore throat, muscle aches, joint pains, vomiting, diarrhea or rash. Most people who experience a fever due to West Nile Virus recover completely, but fatigue and weakness can last for weeks or even months.

About 1 in 150 people who are infected develop a severe illness affecting the central nervous system as encephalitis (inflammation of the brain) or meningitis (inflammation of the membranes that surround the brain and spinal cord). Severe illness can occur in people of any age, but people over 60 years of age are at greater risk for severe illness.

Severe illness may include high fever, headache, neck stiffness, stupor, disorientation, coma, tremors, convulsions, muscle weakness, vision loss, numbness and paralysis. People with certain medical conditions, such as cancer, diabetes, hypertension, kidney disease, and people who have received organ transplants, are at greater risk. Recovery from severe illness might take several weeks or months, and some effects may become permanent. About 1 out of 10 people who develop severe illness affecting the central nervous system die.

If you or a family member experience any of these symptoms, reach out to your healthcare provider as soon as possible. Your provider will question you about symptoms, possible exposure to mosquitoes that can carry West Nile virus, and do laboratory testing of blood or spinal fluid for a diagnosis. Don't risk your health; see your healthcare provider.

The celebration of a Christian's life brings hope and consolation to the living. As we plan for our eternal life, it is always good to remember those that we love. Having a Will is good stewardship.

When there is a Will there is a way to be an angel for your parish. Please remember Holy Spirit Catholic Church in your Will.

These gifts help us to build a solid foundation for the Catholic formation of future generations. We appreciate the thoughtfulness of parishioners who have left bequests to Holy Spirit Catholic Church.

You can have an everlasting influence on the lives of your parish family of Holy Spirit Catholic Church. There are various forms of bequests that can be made. Bequests may come in the form of a specific dollar amount, by adding Holy Spirit Parish to your account; securities, real estate, tangible property, and retirement account assets.

If a Will or Trust already exists, a codicil amendment can be easily added to your current will. Holy Spirit Catholic Church is a charitable non-profit institution; therefore all bequests are fully tax deductible for estate tax purposes.

For additional information, please contact the parish office at 561-585-5970 or e-mail office@holyspiritlantana.com or complete the form below and drop it in the offertory basket or bring it to the parish office and someone will contact you. Thank you for your generosity!
