HOLY SPIRIT PARISH MISSION STATEMENT

We are called to embrace faith in the Son of God as Lord and Savior. In our Roman Catholic tradition, through the cleansing waters of Baptism, we die to self and rise as children of the Father.

Confirmed, empowered and guided by His Spirit, we become the church when we gather in His name, are taught with His living Word, and are nourished with His living presence.

So that, we might be sent to witness the Good News of the Paschal Mystery in loving service to the human family; and be united with Him and His Saints in Heaven forever.

OUR LADY OF SORROWS September 15

Mary is venerated under this title to commemorate the seven sorrows that she suffered: The prophecy of Simeon, the flight into Egypt, the loss of the child Jesus in the temple, meeting Jesus carrying his cross, the Crucifixion, receiving the body of Jesus from the cross, and the burial of Jesus. A devotional image of her shows her heart pierced with seven swords to represent these sorrows.

**RELIGIOUS EDUCATION TEACHERS AND
VOLUNTEERS**

We are in need of teachers and volunteers for the upcoming Religious Education classes. Please help our children by sharing your knowledge and faith with our students. Any students looking for community service hours, come and volunteer with us. You will help us educate our youth and we will help you to receive your community service hours. It is available on Tuesday. Any questions, please contact Miss Patrice at 561-585-5970.

With your fatherly blessing, Lord, strengthen these servants of yours in their resolve to dedicate themselves as catechists. Grant that they may derive from pondering your Word and teaching the church's teaching. And let them gladly join those they are honoring and serving your name. We ask this through Christ our Lord.

Book of Blessings

Catechetical Sunday

Parents are truly the primary catechists of their children.

"Come to Me all you who labor and are burdened." Matthew 11:28
 This year's theme reminds us of the invitation we receive from the Lord Jesus to follow Him. His promise doesn't want to add to our burdens, He wants to lighten them.

On this Catechetical Sunday, we would like to acknowledge our dedicated catechists in various levels.

They prepare the soil and plant the first seeds of faith. On Catechetical Sunday, we not only highlight the work of catechists in parishes and schools, but we also commend parents and guardians and encourage them to take seriously their role of making their Catholic households a place where faith is passed on to the next generation.

STORING UP RICHES IN HEAVEN

“For those who want to save their life will lose it, and those who lose their life for My sake, and for the sake of the Gospel, will save it.” Mark 8:35

Here on earth, our intention is to make our lives better. In the interim, we oftentimes get so busy that we forget to take care of souls and nourish them. We run from pillar to post trying for a better life here on earth which is temporary. Have we ever put a thought to our eternal life? Just like we plan early on for a good life after retirement, do we do the same for a life after our earthly time. Have we made a good spiritual deposit? It is a reminder for us, that the world and its glamor can distract us and we may get lost in the clamor of this world. Let us not lose ourselves in this world but stand strong in our faith and its proclamation. Let us make a good spiritual deposit with uncompromised faith even though it is at the cost of foregoing some pleasures that the world provides.

“But strive first for the kingdom of God and His righteousness, and all these things will be given to you as well.” Matthew 6:33

When we seek Jesus and His Kingdom, He will provide us everything we need here in this world.

Lyme Disease

Per the Mayo clinic, Lyme disease is an illness caused by the borrelia bacteria. Humans contract the disease from the bite of a tick carrying the bacteria. Ticks that carry borrelia bacteria can be found throughout most of the United States; however, Lyme disease is most common in the upper Midwest and the northeastern and mid-Atlantic states. It is also common in Europe and in south central and southeastern Canada.

Ticks live in grassy, brushy or wooded areas. You are at risk if you spend time in these areas, but taking safety measures while in these environments can lower the risk of Lyme disease.

Symptoms – A tick bite may look like a tiny, itchy bump on your skin, much like a mosquito bite. This doesn't mean you have a tick-borne disease; many people will not notice they've had a tick bite. Symptoms of Lyme disease vary and usually show up in stages that can overlap. Some people don't exhibit symptoms of the typical early stage.

Early symptoms usually appear within 3 to 30 days of the initial tick bite. The symptoms are usually localized. A rash is a common sign of Lyme disease, but it doesn't always appear early. The rash is usually a single circle that slowly spreads from the site of the bite. It can have a clear center and look like a target or bull's-eye. The rash may feel warm to the touch. It's usually not painful or itchy.

Other stage 1 symptoms include: fever; headache; extreme tiredness; joint stiffness; muscle aches and pains; as well as, swollen lymph nodes.

Without treatment, Lyme disease can worsen. The symptoms of stage 2 can show up within 3 to 10 weeks from the bite. Stage 2 is more serious and widespread. Stage 2 may include stage 1 symptoms plus the following: rashes on other parts of the body; neck pain or stiffness; muscle weakness on one or both sides of the face; immune-system activity in heart tissue that causes irregular heartbeats; pain originating from the back and hips then spreads to the legs; pain, numbness or weakness in the hands or feet; painful swelling in tissues of the eye or eyelid; and immune-system activity in the eye nerves that causes pain or vision loss.

Stage 3 can include symptoms from earlier stages as well as new ones. In the United States, the most common condition of this stage is arthritis in large joints, particularly the knees. Pain, swelling or stiffness may last a long time. Stage 3 symptoms usually appear from 2 to 12 months after a tick bite.

Next week, we will highlight causes, risk factors, complications and preventions.

The celebration of a Christian's life brings hope and consolation to the living. As we plan for our eternal life, it is always good to remember those that we love. Having a Will is good stewardship.

When there is a Will there is a way to be an angel for your parish. Please remember Holy Spirit Catholic Church in your Will.

These gifts help us to build a solid foundation for the Catholic formation of future generations. We appreciate the thoughtfulness of parishioners who have left bequests to Holy Spirit Catholic Church.

You can have an everlasting influence on the lives of your parish family of Holy Spirit Catholic Church. There are various forms of bequests that can be made. Bequests may come in the form of a specific dollar amount, by adding Holy Spirit Parish to your account; securities, real estate, tangible property, and retirement account assets.

If a Will or Trust already exists, a codicil amendment can be easily added to your current will. Holy Spirit Catholic Church is a charitable non-profit institution; therefore all bequests are fully tax deductible for estate tax purposes.

For additional information, please contact the parish office at 561-585-5970 or e-mail office@holyspiritlantana.com or complete the form below and drop it in the offertory basket or bring it to the parish office and someone will contact you. Thank you for your generosity!
