HOLY SPIRIT PARISH MISSION STATEMENT

We are called to embrace faith in the Son of God as Lord and Savior. In our Roman Catholic tradition, through the cleansing waters of Baptism, we die to self and rise as children of the Father.

Confirmed, empowered and guided by His Spirit, we become the church when we gather in His name, are taught with His living Word, and are nourished with His living presence.

So that, we might be sent to witness the Good News of the Paschal Mystery in loving service to the human family; and be united with Him and His Saints in Heaven forever.

Father in heaven, may the faith You have given us in Your Son, Jesus Christ, our brother, and the flame of charity enkindled in our hearts by the Holy Spirit, reawaken in us the blessed hope for the coming of Your Kingdom.

May Your grace transform us into tireless cultivators of the seeds of the Gospel. May those seeds transform from within both humanity and the whole cosmos in the sure expectation of a new heaven and a new earth, when, with the powers of Evil vanquished, Your glory will shine eternally.

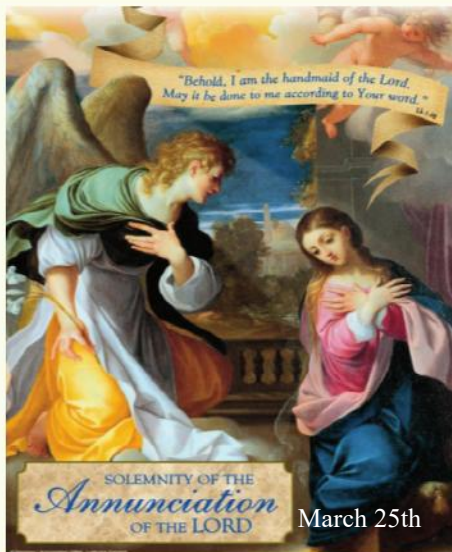

May the grace of the Jubilee reawaken in us, Pilgrims of Hope, a yearning for the treasures of heaven. May that same grace spread the joy and peace of our Redeemer throughout the earth.

To You our God, eternally blessed, be glory and praise for ever.

Amen.

Francisco

Sometimes spiritual writers are accused of putting Mary on a pedestal and thereby, discouraging ordinary humans from imitating her. Perhaps such an observation is misguided. God did put Mary on a pedestal and has put all human beings on a pedestal. We have scarcely begun to realize the magnificence of divine grace, the wonder of God's freely given love. The marvel of Mary—even in the midst of her very ordinary life—is God's shout to us to wake up to the marvelous creatures that we all are by divine design.

The Legion of Mary will be praying the Rosary in front of the grotto on Tuesday, March 25th after the 9:00a.m. Mass. Everyone is invited.

Act of Contrition
O my God,
I am heartily sorry for
having offended You,
and I detest all my sins
because of
Your just punishments,
but most of all because
they offend You, my God,
who are all good and
deserving of all my love.
I firmly resolve, with the
help of Your grace,
to sin no more
and to avoid the near
occasions of sin.
Amen.

Charismatic Prayer Group

“From that time, Jesus began to proclaim, ‘Repent, for the kingdom of heaven has come near.’”
(Matthew 4:17)

A heartfelt acknowledgment of one’s wrongs and a deep desire to turn away from sin and toward God is much needed in true repentance. Recognizing and acknowledging our sins and feeling genuine sorrow and remorse for the acts committed should lead us to seeking forgiveness from God in the sacrament of Reconciliation wherein we receive grace and restoration of our relationship with God.

Sin causes a breach in our relationship with God. True repentance restores it back just as we see in the parable of The Prodigal Son. When the relation is restored, God and His spirit reside within us. “If we confess our sins, He who is faithful and just will forgive us our sins and cleanse us from all unrighteousness.” 1 John 1:9

During this Lenten season, may we receive the grace to humble ourselves, truly repent for all our sins, and return to the loving arms of our Heavenly Father.

Knee Replacement Overview

Knee replacement surgery, or knee arthroplasty, is primarily performed to alleviate severe pain and restore function in knees damaged by various conditions. The most common cause necessitating this procedure is osteoarthritis, a degenerative joint disease characterized by the breakdown of cartilage, leading to pain, swelling, and reduced mobility. Other conditions that may require knee replacement include rheumatoid arthritis, which causes joint inflammation and damage, and traumatic injuries that result in significant joint deterioration. When conservative treatments such as medication, physical therapy, and lifestyle modifications fail to provide relief, knee replacement becomes a viable option.

There are two primary types of knee replacement surgeries: Total Knee Replacement (TKR): This involves replacing all three compartments of the knee joint—the medial (inner), lateral (outer), and patellofemoral (front) compartments. The damaged bone and cartilage are removed and resurfaced with metal components, and a high-density plastic spacer is inserted between them to facilitate smooth movement.

Partial Knee Replacement (PKR): Also known as unicompartmental knee replacement, this procedure is suitable for patients with damage confined to a single compartment of the knee. Only the affected portion is replaced with metal and plastic components, preserving the healthy bone and cartilage. PKR often results in a quicker recovery and more natural knee function compared to TKR.

The materials used in knee prostheses are designed to mimic the natural movement of the knee joint while ensuring durability. Typically, the components are made from metal alloys, such as cobalt-chromium or titanium, known for their strength and biocompatibility. The plastic spacer inserted between the metal components is made of high-grade polyethylene, a durable plastic that reduces friction and wear. In some cases, ceramic materials may be used, offering a smoother surface and increased longevity.

Advancements in surgical techniques and materials have significantly improved the outcomes of knee replacement surgeries. For instance, the Mayo Clinic employs robotic-arm assisted technology to enhance precision in implant placement, leading to better alignment and potentially longer-lasting results.

In summary, knee replacement surgery is a well-established procedure aimed at relieving pain and restoring function in individuals with significant knee joint damage. The choice between total and partial knee replacement depends on the extent of the damage, and the materials used in the prostheses are selected to ensure durability and compatibility with the body. Continuous advancements in medical technology continue to enhance the effectiveness and longevity of these implants.

The celebration of a Christian's life brings hope and consolation to the living. As we plan for our eternal life, it is always good to remember those that we love. Having a Will is good stewardship.

When there is a Will there is a way to be an angel for your parish. Please remember Holy Spirit Catholic Church in your Will.

These gifts help us to build a solid foundation for the Catholic formation of future generations. We appreciate the thoughtfulness of parishioners who have left bequests to Holy Spirit Catholic Church.

You can have an everlasting influence on the lives of your parish family of Holy Spirit Catholic Church. There are various forms of bequests that can be made. Bequests may come in the form of a specific dollar amount, by adding Holy Spirit Parish to your account; securities, real estate, tangible property, and retirement account assets.

If a Will or Trust already exists, a codicil amendment can be easily added to your current will. Holy Spirit Catholic Church is a charitable non-profit institution; therefore all bequests are fully tax deductible for estate tax purposes.
